Holiday Cards

Last year was such a success with delivering over 875 cards to 9 different nursing homes/assisted living facilities. We want to reach that goal again if not surpass it this year! We will be making cards at the end of classes starting the end of this month. We also are encouraging dancers to create cards at home to bring in. We appreciate every card as it helps to make someone's holiday a little bit brighter. Cards will be delivered to residences before Christmas. Thank you!!!
